

LEADERSHIP DEVELOPMENT TRAINING

BEING A GREAT LEADER

About The Training

This leadership training course is a specialised program designed to help you learn new leadership techniques and refine old skills to run your team, including assertive communication, motivation methods and coaching. Also, it is ideal for anyone in the supervisory role, who has just stepped up to a new position to more experienced managers and want to stay on top of their game.

Modules

- Able to encourage and motivate team members.
- To sharpen interpersonal and communication skills.
- Distinguish between management and leadership.
- Develop analytical skills and the ability to keep an eye on ongoing activities.
